

tour the states

renald francoeur

Chorus:

*I want to take a little trip somewhere—yeah
Places I've never been—yeah
Going on tour without a care*

*I want to take a little trip somewhere—yeah
Places I've never been—yeah
Going on tour, tour, tour, tour*

*First, I'm gonna see Nashville, Tennessee
Then Madison, Wisconsin, is where I gotta be—yeah
Then I'll take a plane
Well actually, I'm afraid to fly, so I think I'll take the train
Let's go!
Going to Trenton, New Jersey; Frankfurt, Kentucky
Maybe take a trip to Jackson, Mississippi
Let's see what they can show me in Jefferson City, Missouri
Santa Fe, New Mexico; Denver, Colorado
Boise, Idaho, I love it every time that I go*

*In 1492, he sailed the ocean blue, but next week I'll see Columbus in Ohio
Grab a little sunshine in Tallahassee, Florida
Take a bite of a peach in Atlanta, Georgia
I've never been to Carson City, in Nevada, or Lincoln, Nebraska
You can catch me in Phoenix, Arizona, or Sacramento, California—yeah
St. Paul, Minnesota, maybe Juneau, Alaska—yeah*

Chorus

*Boston, Massachusetts; Concord, New Hampshire
Going to Vermont for Montpelier
Montgomery, Alabama, then Washington D.C. to see the nation's capital
Aloha to Honolulu, Hawaii
Des Moines, Iowa, so peaceful to me
Going to Springfield, Illinois, to build a little house on a prairie
In Little Rock, Arkansas, I love what I saw
Going back to Dover, Delaware, 'cause I want more
Indianapolis, Indiana, and Hartford, Connecticut, need an encore
Smelling pine trees in Augusta, Maine
I like Topeka, Kansas, I'm glad that I came
But I've never been to Salt Lake City, in Utah, or Richmond, Virginia
Going to see Bismarck, North Dakota, and Charleston, West Virginia—yeah
Annapolis, Maryland, maybe Lansing, Michigan—yeah
Helena, Montana; Columbia, South Carolina, got to go to Pierre, South Dakota
Yeah—follow if you wanna
I'll be eating a banana in Baton Rouge, Louisiana
Schedule that on my planner
Friends say I gotta come sooner to Oklahoma City, Oklahoma, so I guess I'm gonna
But first I'm going to Cheyenne, Wyoming, then party in Raleigh, North Carolina
Harrisburg, Pennsylvania, can't think of a rhyme for Pennsylvania, so I'm skipping
to Salem, Oregon
Then Austin, Texas, and then maybe Albany, New York, for breakfast
Providence, Rhode Island, was a blast and Olympia, Washington, was just the
best-est*

Chorus x 4
